Author's contributions

AESS, BG, MB, MP, MS, HD, SD, and AdJ conceived the idea of this opinion article. AESS conducted the literature search and wrote the paper, and LLP, BG, MB, MP, MS, HD, SD, AF, and AdJ contributed to the debate and formation of the opinion, and critically revised earlier drafts of the article. AESS and LLP analysed the data and created the table, with supervision of AdJ.
